

# Accelerated Bachelor of Science in Nursing

IN JUST **13 MONTHS**, YOU CAN MAKE AN IMPACT OF A LIFETIME.

**Get your bachelor's degree in nursing and start your career faster than you ever imagined through this unique partnership between Huntington University, Indiana Tech, and Parkview Health.**

Students who have a bachelor's degree in any field and have completed key pre-requisites can enroll in this full-time, in-person, accelerated program. In just 13 months, graduates can complete the program and start their nursing career immediately. Thanks to the support of Parkview Health, program participants can have their tuition fully paid for over time and a job waiting for them upon graduation at one of the nation's premier health systems.

- Program is full-time, in-person, spanning just **13 months from start to completion**. All courses are taught by Huntington University's experienced, dedicated nursing faculty.
- Students earn a Huntington University bachelor's of science in nursing degree through the program. Huntington's nursing program has proudly maintained a **100% job placement rate** for graduates for more than 10 years.
- All classes are held in **all-new, state-of-the-art facilities** on Indiana Tech's Fort Wayne campus, located in the middle of a thriving center of regional health care.
- Clinical work during the program takes place at the regional locations of Parkview Health, the innovative health care provider frequently recognized as among **the best in the nation**.
- Students who successfully complete the program can have their **tuition paid for and a job waiting for them** thanks to the Parkview ABSN Scholarship made possible by Parkview Health and administered through the Questa Education Foundation.

Now, more than ever, there is a critical need for skilled, dedicated nurses. The Huntington-Indiana Tech-Parkview partnership brings together a high-quality degree program, outstanding facilities in a convenient location, and a strong relationship with the region's leading health care provider to ensure graduates are well-positioned to enter this compelling field.

This program is also the perfect choice for students looking for a career that is more than just a job. Huntington University has a long legacy of helping students align their work with their commitment to service and faith. And Indiana Tech's proven commitment to student success ensures you'll have the support you need, every step of the way.

## Program Requirements

Students entering the Accelerated Bachelor of Science in Nursing program must have a bachelor's degree in any field from an accredited institution of higher learning. Depending on the courses completed during their bachelor's degree, students may qualify to begin the nursing program immediately. Others may need to complete the following pre-requisite courses:

- Academic Writing & Research
- Anatomy & Physiology I & II
- Psychology or Sociology
- Statistics
- Public Speaking & Communications
- Chemistry
- Microbiology
- Human Development

Both Huntington University and Indiana Tech offer these courses for students needing to complete pre-requisites. See the full list of program requirements at [indianatech.edu/nursing](http://indianatech.edu/nursing).

## Full Tuition Reimbursement Paired with 100% Job Placement

Thanks to the support of Parkview Health, students in the first cohort of classes that begin in August 2023 are eligible to receive substantial up-front tuition support and additional education loan forgiveness with a promised career as a clinical nurse at Parkview Health. The Parkview ABSN Scholarship program is available to all students who successfully complete the nursing degree program and commit to working at Parkview Health upon finishing their studies. Tuition benefits are paid over time, so the longer a graduate works at Parkview, the more their tuition is covered. The result: students who work at Parkview for three years or more will have their tuition covered for them. For full details on this special scholarship and job placement opportunity, visit [indianatech.edu/nursing](http://indianatech.edu/nursing).

## Non-Profit, Fully Accredited

The baccalaureate degree program in nursing at Huntington University is accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001, 202-887-6791, <http://www.ccnaccreditation.org>. Huntington University's nursing program also holds accreditation from the Indiana State Board of Nursing. Both Huntington and Indiana Tech are non-profit universities fully accredited through the Higher Learning Commission.
