Boys & Girls Clubs earns prestigious award

The Boys & Girls Clubs of Huntington County (BGCHC) is proud to announce that it has been awarded the Roxanne Spillett Honor Award for Workforce Readiness from the Boys & Girls Clubs of America (BGCA). This national recognition highlights outstanding efforts to prepare youth for successful futures through innovative career readiness programming.

The Workforce Readiness Award celebrates programs that help young people build social-emotional skills essential for the workplace, while also offering exposure to a range of career opportunities and hands-on learning experiences. BGCHC's journey to the award included a rigorous, two-round competition – first securing a win at the 2024 BGCA Midwest Leadership Conference, followed by a second-round victory through votes cast by Club CEOs and staff across the Boys & Girls Clubs nationwide that was announced at the 2025 National Conference in San Diego, California in May.

"We are incredibly honored to receive the Roxanne Spillett Honor Award," said Ashley B. Allen, CEO of BGCHC. "This recognition speaks volumes about the dedication of our staff and community partners to empowering youth with the tools they need for lifelong success."

BGCHC offers several dynamic programs that guide teens through career exploration and skill development:

- Tuesdays with Professionals (Ages 13-17): Local employers visit the Club weekly to provide hands-on instruction and share insights into their industries.
- Career Exploration with Transfr VR (Ages 13-17): Using virtual reality headsets, teens explore diverse career paths and gain practical understanding of various trades and professions every Thursday.
- Up Next Members, Kids Café, and Tutoring Program (Ages 13-17): Teens gain real-world experience through working in the Club kitchen, mentoring younger members, and assisting with literacy and math tutoring.
- Next Steps Program (Ages 17-21): Supporting Club alumni post-graduation, this virtual program provides consistent check-ins, mentorship, and resources for youth transitioning to college or the workforce.

For more information about the Boys & Girls Clubs of Huntington County and their Workforce Readiness programs, please contact Desiree Fredrick at desiree@bgchuntington.com.

The Huntington County Purdue Extension Office is excited to offer the 2025-2026 Huntington County Leadership Program.

PURDUE

A local advisory group of community leaders is working together with Purdue Extension to plan this renewed program that will help develop the community leadership skills of area business, non-profit and county leaders.

Purdue Extension's Community Leadership Program is a leadership development course for adults who want to make a difference in their communities. Through this series of interactive modules, participants develop their own leadership capacity and learn about the people, organizations and institutions that make up their communities and how they can engage in serving their communities more deeply.

The Leadership Program is comprised of nine sessions that meet monthly from September 2025 through May of 2026. Cost is \$400 per person – a limited number of scholarships will be available through the Community Foundation of Huntington County.

Applications will be open for the 2025-2026 program from June 2 through July 11. Payment for approved participants will be due August 15, 2025. Apply at www.huntingtonccf.org/leadership
